

# Careers in Humanitarianism – Afternoon 2

## Wed 26<sup>th</sup> April - Programme

12:45 – 13:00	<b>Registration</b> - Ellen Wilkinson Building - The old Graduate School Reception desk, next to the Atrium (C Block, Ground Floor)
13:00 – 14:30	<p><b>Careers Expo - Meet humanitarian organisations, staff and alumni</b></p> <p>Meet staff from local and international humanitarian organisations, who can answer questions about what it is like to work in the sector, how they got started, what their organisation is about, and any work, volunteering or training opportunities that may be available.</p> <p>Stallholders are: UK-Med / Mines Advisory Group / UoM Careers Service / Humanitarian Leadership Academy / Omega Research Foundation / Manchester City Council Jobs Team / Halo Trust / MSF UK / K4D programme (represented by Dr Luke Kelly) &amp; RIAH project (Dr Stephanie Rinaldi), Nuclear Free Local Authorities</p> <p><b>Location:</b> The Atrium and the Conference Room (C1.18) in Ellen Wilkinson Building. These spaces are directly connected by stairs.</p>
14:30 – 15:00	<b>Refreshments – Tea/coffee and cake:</b> Available outside the Conference Room (C1.18)
15:00 – 16:30	<p><b>Talk - Effective altruism, humanitarianism and global health, with Marc DuBois - former Exec Director of MSF UK</b></p> <p>Using his own career as a backdrop, Marc will examine the challenges of effective altruism. Building on his experience working for large humanitarian organizations such as MSF, Marc will explore the not-so-simple-as-it-seems path from good intentions to effective humanitarianism. While a great deal of attention is dedicated to technical questions of effective programming, Marc discusses how ethical issues have become far less visible.</p> <p><b>Location:</b> C5.1 in Ellen Wilkinson – Access via stairs or lift</p>
